VP News Express

February sure went fast, We had another great run weekend at the Domes. Our riders were very generous with donations. One more run date at the Domes, March 9th & 10th. Our BOD and membership meeting at O'Lidia's went well. This years club projects were discussed. Besides our regular upkeep and track work this years projects will include.

- 1 Concrete slab for port-a-potties and a wood fence around them.
- 2 Rebuild double track bridge with deck for tractor to drive over.
- 3 Retie the Highline bridge
- 4 Turn rail on the swamp loop track a stagger the joints.
- 5 Replace the Latimer diamond.

We will be talking about this at the next meeting. All members who requested track for storage will keep the same as last year. Any new member who requested track space will be instructed on where they will be. Do not forget to sign up for the spring banquet dinner at the Pike Lake House in Hartford on March 24th.
