Spring Is Here

Introducing the M.L.E.S. Members Yahoo Group.

VP News Express
 It was nice to see many who came out to the MLES dinner at the Pike Lake House. Seems like all had a good time, Now that spring is here and soon we will be opening up the park for the 2013 season. At the April meeting we will discuss our work day projects. A heads up note here is that the meeting has been moved to the Youth Room. Since there will be no AV equipment, no program will be available that requires it. I plan to spend a few minuets on Bi-directional train running. Another topic to be covered is how the Library wants the room after we are done with the meetings. Ken got a e-mail stating that the way the room was left was not the way they want it. We need to be more careful. Hope to see you all at the meeting. Check the Gazette for time and location.

Think spring,
David G.

Wednesday Work Nights!!
 Work days at the park start on May 1 and continue every Wednesday through the summer. Any time you can spend helping at the park is appreciated. P.C.

In an effort to improve communication among MLES members I would like to introduce the MLES Members Yahoo group. The MLES Members Yahoo group is for MLES members only. Currently there are 25 members. The purpose of this site is to share information, download the newsletter and post messages related to club activity.

In addition to what has been mentioned above we hope to limit the number of newsletters that need to get mailed out every month. Doing so will save postage, paper and time for those involved with printing the newsletter every month. Paper copies will still be mailed to your address if you wish, however you will have to note this on your membership renewal form.

If you would like to become a member please email Michael Michaud at mmichaud1003@yahoo.com. Once I receive your correct email address I will invite you to the group. You will need to have a yahoo ID to become a member of the group. Ob-taining a yahoo ID is not a diffi cult task.

If you have any questions please feel free to contact Michael Michaud at (414) 856-0848. Chris Welvang is a moderator for the group and he can also help. He can be reached at (414)429-2609. His email address is in2steam@wi.rr.com
