Work Days Are Here!

To all members,

We are asking that all members respect the equipment kept at the park. We had a couple of incidents with people using or taking parts from other members equipment without permission. We ask that you refrain from doing this. Thank You, MLES BOD

In the VP's absence, here's a couple of notes from the Editor:

Work nights have begun: help get the park ready for the season. Let's all pickup sticks. There are lots of down branches that need to be cleaned up. We want to get a head start on re-decking the double track bridge. Lots of manpower needed. Also a couple of members still have not paid their 2013 dues. You know who you are. Help the Treasurer..pay up!
