Diamond Has Been Installed

VP News Express
July 2012

Great progress was made on the project list. The double track bridge is now finished and the new diamond is in. Track is connected. The slab for the Port-A-Potties has been poured. Now we can figure out where the units will be placed on the slab and then the privacy fence can be built. Weeds have been sprayed on the right of way. Don Minders open house was fun and well attended. Weather was ok on Saturday and great on Sunday. Since I will be on vacation, I will not be at the July meeting. Please make sure you read your Gazette for the date and place of the July meeting.

Introducing the M.L.E.S. Members Yahoo Group.

In an effort to improve communication among MLES members I would like to introduce the MLES Members Yahoo group. The MLES Members Yahoo group is for MLES members only. Currently there are 25 members. The purpose of this site is to share information, download the newsletter and post messages related to club activity.

In addition to what has been mentioned above we hope to limit the number of newsletters that need to get mailed out every month. Doing so will save postage, paper and time for those involved with printing the newsletter every month. Paper copies will still be mailed to your address if you wish, however you will have to note this on your membership renewal form.

If you would like to become a member please email Michael Michaud at mmichaud1003@yahoo.com. Once I receive your correct email address I will invite you to the group. You will need to have a yahoo ID to become a member of the group. Obtaining a yahoo ID is not a difficult task.

If you have any questions please feel free to contact Michael Michaud at (414) 856-0848. Chris Welvang is a moderator for the group and he can also help. He can be reached at (414)429-2609. His email address is in2steam@wi.rr.com
