DUES ARE DUE!

January Meeting

Bob M. gave the beginning financials for the year. The dues and track storage fees are coming in. The track storage fees will go into our reserve fund again this year. This fund is intended for any future major repairs of our buildings. The club purchased 1500 feet of rail from George S. , along with 14 pair of milled points. We had a discussion on turnout and switches that are to be built this winter. Tom B. gave an update on the new signals. Dave Gehrke gave a report on the Domes show. The all scale trains show is cancelled, due to construction. We will not be able to give rides at the Domes this year. Joes steam car is going to the Domes for display. JoAnne G. gave a presentation on the Spring Banquet. After discussion, it was decided to have the dinner at the Boneyard Pub and Grille in Sussex. A buffet will be served, so everyone can eat at once. Joanne will get the final details. It is planned for March 23. The Feb. BOD is planned for Feb. 27. Food and beverages are being provided by Gene S. We discussed the events on the calendar for the year, and the meeting was adjourned.
Sec. Pat C.

Dues, Storage & Tax Forms

If you have not already done so, please pay your dues. Several people are still unpaid. The Round House Committee will be assigning track storage at the February BOD meeting at O'Lydia's. Remember: No dues, no track storage! All tax donation receipts have been hand delivered or mailed. Everyone should have them by now. Even though I try to provide a receipt for all donations, according to IRS rules a receipt is not required for donations under \$250. If you have not received a receipt and would like one, please let me know and I will provide one. Thanks to everyone for prompt payment of dues and for all your donations.
