Wednesday Work Nights Begin

Introducing the M.L.E.S. Members Yahoo Group.

VP News Express

I want to start out with a update on Trainfest. Ken J plans to give us a area of 79 feet by 262 feet. This will require man power. Trains must run also Friday night so we will be running 3 days. At the board meeting it was decided that I come up with a job list and needed man power for each day. This can be a great money maker for the club but it will take commitments to pull it off. Also in April we built over 60 track panels and 6 turnouts during our 2 day work weekend in my shop. Thank you to all who came out. We also picked up a new member. Please remember that the May work weekend is coming up soon. May 17th and 18th 9am to 4pm. We have lots of work on the plate and jobs for everyone. Also we are now holding the meetings at RR Park for the summer. Please check your Gazette for times. Hope to see you all at the meeting.

Work Weekend

We have our work weekend at Railroad Park planned for Saturday May 17th and Sunday May 18th 9 am to 4 pm. Crews will be needed for :

- Turnout work.
- Track work and surfacing
- Ballast hauling by train and tractor.
- Tree trimming and brush removal.
- Park cleanup.
- Water setup, weather permitting.

More will be discussed at the May meeting.

There is a job for all members. Please plan to come out and help.

In an effort to improve communication among MLES members I would like to introduce the MLES Members Yahoo group. The MLES Members Yahoo group is for MLES members only. Currently there are 25 members. The purpose of this site is to share information, download the newsletter and post messages related to club activity.

In addition to what has been mentioned above we hope to limit the number of newsletters that need to get mailed out every month. Doing so will save postage, paper and time for those involved with printing the newsletter every month. Paper copies will still be mailed to your address if you wish, however you will have to note this on your membership renewal form.

If you would like to become a member please email Michael Michaud at mmichaud1003@yahoo.com. Once I receive your correct email address I will invite you to the group. You will need to have a yahoo ID to be-come a member of the group. Ob-taining a yahoo ID is not a diffi cult task.

If you have any questions please feel free to contact Michael Michaud at (414) 856-0848. Chris Welvang is a moderator for the group and he can also help. He can be reached at (414)429-2609. His email address is in2steam@wi.rr.com
