No. of pieces of equipment, engines, cars, etc. not listed above, length of each. *(list)* _____

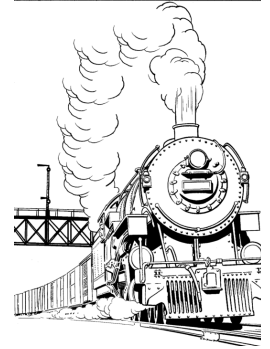

Can some be stacked, how many? *(list)* _____

Jan 31ST is the deadline for dues and track storage fees. Track assignments will be reviewed at the February BOD meeting. The roundhouse superintendent will assign track storage to members in good standing. The superintendent has the right to fill any open spaces on tracks with t-rail cars as needed. This may be done through-out the year to make it easier to assemble and store trains, for trains that give rides. The buildings are club property and the superintendent reserves the right to make any changes as needed.

Meeting News

It is already the last newsletter of the year. It has been a busy and productive year at railroad park. Two bridges were re-decked, The grade at coal siding was raised, passing sidings were added and the signal system was finished. Wiring was added in some of the buildings and underground in new areas at the park. We had our monthly steamups, birthday parties and other activities between our work activities. Our September open house was busy as usual. As fall rolled in the pumpkin trains rolled out. The park was again beautifully decorated and enjoyed by many guests. November brought a new experience, rides at Trainfest. With much planning and hard work, we were able to make the event a success. It was a team effort which was only successful with all members participating. One result of Trainfest was the issue of state licensing for our trains. The last meeting included discussions of how this will

VP News Express

Everything at Trainfest worked out well this year. Setup and operations were covered by many MLES members. We had about 6,500 who rode our trains. I do have a copy of some of the news media who covered the Morning Blend and Trainfest. We did have a visit from the State of Wisconsin to be licensed to haul the public. More about the license will be a topic at the December meeting. We plan to have a question and answer about our insurance as many members had questions. Our insurance agent will be invited to the February meeting. Details will follow. We will be looking for a new place to hold our winter meetings. The Falls libuary want to only let Waukesha County groups use their meeting rooms. We and now looking for the Germantown Library. That is located 4 miles north of where we hold them now. More will be posted as information comes available. Please make sure to come to the MLES Christmas Party held in West Bend at our place. Date is December 7th at 1pm. Bring a dish to pass. Hope to see you all at the December meeting. Please read your Gazette for time and location.

M.L.E.S. December Meeting: Thursday, December 11, 2014

The Regular meeting of the M.L.E.S. will be held at the
Maude Shunk Public Library located at W156 N8446 Pilgrim Road,
Menomonee Falls, WI 53051, at 6:30 p.m.

See you all there!

If you have a presentation, or know of someone with an interesting program, please give our
program director, Ed Kofroth, a call at 414-425-7945.

He'd be glad to follow up on speakers or outings for club meets
