## New Platform Nearing Completion

### May Meeting

Dave G. gave an update on the progress being made on the station project. May 30 and 31 were added as a work week end. Wednesday work days are ongoing. The lift table must be completed. Advance throws must be completed for the new switches. Safety issues were brought up and discussed. The first public run days are June 27-28. We discussed upcoming events at the park. Sean D. gave a presentation on a service project he is going to do at the park for his eagle scout badge. Andy updated the lease form. It was approved and will be implemented. We discussed the issue of concealed carry at the park. More information will be gathered for future meetings.

Pat C. Sec. M.L.E.S.

### VP News Express

More progress has been made on the station platform. We plan to have track 3 & 4 open first and should be ready for our first public run day Saturday and Sunday June 27th & 28th. We need to start raising funds again. Our lift table will be back in service soon also. It will be on rails so moving it will be easy. Work has also been done on the rest of the railroad. Several members took the ballast car around and picked up brush and cleaned out switches and mad sure they work. Also ballast high spots were leveled. Thank you to all who came out to help in the past with our projects. There is plenty of work still to be done. Please make sure to come out and help on Wednesdays. Also a reminder that there will be no meeting held in June.

David G

## Introducing the M.L.E.S. Members Yahoo Group.

In an effort to improve communication among MLES members I would like to introduce the MLES Members Yahoo group. The MLES Members Yahoo group is for MLES members only. Currently there are 25 members. The purpose of this site is to share information, download the newsletter and post messages related to club activity.

In addition to what has been mentioned above we hope to limit the number of newsletters that need to get mailed out every month. Doing so will save postage, paper and time for those involved with printing the newsletter every month. Paper copies will still be mailed to your address if you wish, however you will have to note this on your membership renewal form.

If you would like to become a member please email Michael Michaud at mmichaud1003@yahoo.com. Once I receive your correct email address I will invite you to the group. You will need to have a yahoo ID to be-come a member of the group. Ob-taining a yahoo ID is not a diffi cult task.

If you have any questions please feel free to contact Michael Michaud at (414) 856-0848. Chris Welvang is a moderator for the group and he can also help. He can be reached at (414)429-2609. His email address is in2steam@wi.rr.com
