Introducing the M.L.E.S. Members Yahoo Group.

In an effort to improve communication among MLES members I would like to introduce the MLES Members Yahoo group. The MLES Members Yahoo group is for MLES members only. Currently there are 25 members. The purpose of this site is to share information, download the newsletter and post messages related to club activity.

In addition to what has been mentioned above we hope to limit the number of newsletters that need to get mailed out every month. Doing so will save postage, paper and time for those involved with printing the newsletter every month. Paper copies will still be mailed to your address if you wish, however you will have to note this on your membership renewal form.

If you would like to become a member please email Michael Michaud at mmichaud1003@yahoo.com. Once I receive your correct email address I will invite you to the group. You will need to have a yahoo ID to become a member of the group. Obtaining a yahoo ID is not a difficult task.

If you have any questions please feel free to contact Michael Michaud at (414) 856-0848. Chris Welvang is a moderator for the group and he can also help. He can be reached at (414)429-2609. His email address is in2steam@wi.rr.com

More progress has been made on the station platform. We have track 3 & 4 open in the station area. we had our first public run weekend June 27th & 28th We had almost 200 come visit us during the 2 days. We plan to work and finish up the station area and hope to have it done by the end of July. We have to be ready for the Wise Division meet in August. There is plenty of work still to be done. Please make sure to come out and help on Wednesdays. More will be discussed at the July meeting. Also we will need to get your lease forms filled out and turned in to Andy M. Also we started using the new Train Inspection forms. They must be filled out by all on a public run day, even if you do not plan or are licensed to haul the public. I also have arranged a open meet at the White Creek Railroad in Cedar Springs Michigan. The dates are August 27-29th. Arrival is allowed on the 26st. If you have never made the trip and if you want to see a awesome railroad, better add this to your bucket list. All you need to do is bring your locomotive. Riding cars and other rolling stock is provided. Contact me for information on the meet and lodging. Hope to see you all at the July meeting. Please check your Gazette for time and location. David G
