### Open House is Here

#### VP News Express

During the month of August we were able to get our track back into shape. Still a few areas that we need to address. Wednesday work nights continue so the goal is to get it finished before the Pumpkin Trains. The train building with tracks 0-8 is being painted red to match the others now and should be done before the open house. At the August meeting we started the discussion about Trainfest. Paperwork has been turned in. The Club Open House will be held on September 12th & 13th. Help will be needed for train operations and parking and where needed. We will have a job for all. Setup will be on Friday the 11th starting at 5pm. Hope to see you all at the September meeting. Please check your Gazette for time and location.

#### August Meeting

Bob M gave a financial update. On old business Tom B reported the electrical ground is on order. Tom and Roger will install it when it arrives. Andy M. discussed the ongoing track issues. Most are resolved but a few things must still be addressed. We discussed painting building Two. We hope to get that done by open house. Jack B. is out of the printing business. We have to check out options or a new supplier. The Club Open House is set for Sept 12-13. Set up is on Sept. 11. We discussed the plans for Trainfest. On new business Tom B, discussed the new location signs he is making for the entire track. We decided to go ahead with this project. Meeting Ended. Pat C MLES Sec.

#### Introducing the M.L.E.S. Members Yahoo Group.

In an effort to improve communication among MLES members I would like to introduce the MLES Members Yahoo group. The MLES Members Yahoo group is for MLES members only. Currently there are 25 members. The purpose of this site is to share information, download the newsletter and post messages related to club activity.

In addition to what has been mentioned above we hope to limit the number of newsletters that need to get mailed out every month. Doing so will save postage, paper and time for those involved with printing the newsletter every month. Paper copies will still be mailed to your address if you wish, however you will have to note this on your membership renewal form.

If you would like to become a member please email Michael Michaud at mmichaud1003@yahoo.com. Once I receive your correct email address I will invite you to the group. You will need to have a yahoo ID to become a member of the group. Obtaining a yahoo ID is not a difficult task.

If you have any questions please feel free to contact Michael Michaud at (414) 856-0848. Chris Welvang is a moderator for the group and he can also help. He can be reached at (414)429-2609. His email address is in2steam@wi.rr.com
