Tom B. and Roger H. will install the surge protector on the main breaker when they find time. Pumpkin Trains are underway. The Friday runs are very popular. #### VP News Express

September stated off with the club open house. Due to the fact we cut back on advertising the attendance was a little less. At our last meeting we decided that this was going to be the last open house. As to replace that we are going to make a flyer to hand out with all our 2nd & 4th Sunday operating schedule for June - September. This will be less stress on members and no extra expenses. Pumpkin Trains are now off to a great start. Had a great first weekend. Track work is continuing through October on Wednesdays. We had added a new turnout at Tank Farm. The siding at Hillside will be lengthened as that is about the center (Continued In Next Column)

We are going to be in need of help for Trainfest. Set up will happen Thursday November 12th ant noon. We will be looking for help to get everything down to State Fair Park. Anyone who has a truck, van or trailer you help will be needed. This year we plan not to use a truck. Help will be needed to run trains and man the 2 crossings during show hours on Saturday the 14th and Sunday the 15th. At the October meeting we will discuss more on Trainfest. A date has been set for the MLES Christmas party which will be December 6th at the Boneyard in Sussex. No Packer game that day. Menu and time will be available at the October meeting.
