Spring Banquet

VP NEWS EXPRESS

In February we held another work day building switches and track panels. Only 4 members were needed to pull this off. We got 14 more track panels built and the start of a new turnout plus finished the one that was started in January. Since the weather now is getting warmer we may plan a workday toward the end of the month at RR Park. If things dry out a short notice will be given. Work to be done. Winter cleanup, trimming brush for fence on south side of property and rail removal on the high line bridge. Our spring banquet will be held again at the Boneyard in Sussex on Sunday March 20th. This will also where the March membership meeting will be held. Also at the February meeting the Roundhouse Committee met and track storage will stay the same unless you were contacted about changes. The final draft will be presented and posted. Hope to see you all at the March meeting. please read your Gazette for time and location. David G.
