Track work is moving along as well as other projects. The park is getting ready for the summer. Caution is needed while running as the new track in areas still need to be leveled and tamped. Work will continue on Wednesday nights. Member help is needed. In the last month only a few members have shown up to help. We have a tour of the Sanfillipo House in Barrington Hills IL. lined up by Lester Hahn. This is the place we were trying to set up a tour in the last 2 years. A date will be picked at the June meeting. We need 40 or more to attend. I would highly recommend going and see this. Tour will be 3 hours. As a club event it may be best to travel by motor coach. Tour will be held on a Wednesday. Time will be determined. Also Lester Hahn will be hosting the June meeting at his place. He has a awesome collection of many treasures. When you come please be aware that NO photographs or video is allowed. His address is 3035 Smith Lake Rd. West Bend 53090. Meeting starts at 6pm but you can come at 5:30pm. They will have a cook-out and beverages for us. Hope to see you all at the June meeting by Lester Hahn's place.
