Happy Holidays

November Meeting

At the October BOD meeting we set the calendar for next year. Work days were set for May 6-7 and May 20-21. A project list was set for the upcoming year. At the regular meeting in November we had Sean D. report on his Scout project. He is planning to move forward on this. We had a discussion on the Trainfest event. We talked about the things that went good or bad, and how can we do better next year. We discussed the project to put a shelter over the station area. This is ongoing and will be worked on in the future. This has been another fun and exciting year. Many projects were completed with the help of many members. Thank you to all who help throughout the year. Our family would like to wish everyone a Merry Christmas, and a Happy New Year.

VP News Express

Now that winter has arrived the park has been winterized. Only new news is the willow trees have been cut. In the December Gazette you will find your club dues renewal forms. Please fill them out and get them before the end of January. This year we decided to skip the Christmas gathering as the attendance last year was down. We will still have the spring gathering banquet in March. More will be discussed at the December meeting about the upcoming Domes show. Hope to see you all at the December meeting. Please read your Gazette for time and location. David G.

Monthly Meeting

Thursday DEC 15, 2016
The meeting will be held at the Jackson Town Hall located at 3146 Division Road, Jackson, WI 53037 at 6:30 p.m. See you all there!

Gazette Now

Available Via Email!

We are trying to reduce the cost and work involved in publishing the monthly Gazette. Printing and distribution costs are escalating and using traditional snail mail makes delivery before the meetings very difficult. We know at times the Gazette has arrived after the meeting. Several members are having issues signing up for the Yahoo MLES group. Until we can get everyone up and running in the Yahoo group we will email the Gazette to anyone who is interested. This will not be a back and forth forum. It will just be email delivery of the Gazette. If you would like to ask questions or engage in a forum or discussion you will have to participate in the Yahoo MLES group.

If you would like to receive the Gazette via email, please send an email from the account you want to use to: MLESGAZETTE@YAHOO.COM Please make sure to send the email from the account you want to use. Also make sure to identify yourself if your name is not part of your email address. Thanks, Your Gazette Crew.
