February 2017

Dues Are DUE!

January News

We had our January monthly meeting on January 19. Bob M. gave the financial details. Under old business we discussed the pavilion project to cover the station deck. Andy M. brought in the latest drawings. We discussed some changes that we would like. Andy will update the changes for further discussion. We discussed looking into contacting a builder, but nothing was decided at this point. We discussed future fund-raising for this project. We tabled everything until the next meeting. Wayne F. is proceeding with his project to put his old film on DVD. Perry gave his views on the public run days. Domes weekend is approaching. Set-up on Feb. 10. Illinois Live Steamers sent information for their 50th anniversary on Aug 17th -20th. If you plan to go contact Dan Miotti at spd4454@hotmail.com, phone 815-485-6670. The Feb. regular and BOD meeting is Feb. 16. MLES Sec Pat C.

VP News Express

Please remember to get your dues and storage to Bob M. as soon as possible and must be in before the February meeting as that is when track assignment will be given. Also the state forms have arrived to register for public train runs. Copies are available if anyone else would like to register, please see Andy M. At the meeting we will finalize the plans for the Willow Bend Station. I also should have a final cost of the project by then. Next is to look into the permits needed for this. Fund raising options will also be discussed. (Continued in next Column)

Calendar Pg 2

I have made arrangements to have the large tree logs removed before the ground thaws out. This will be done at no charge to us. Also at the meeting we need to come up with some work days by me to build track panels for spring projects. Panels are needed for the high line hill project where we plan to use the steel rail on the outside curve. More panels with used rail can be built so we can finish Coal Siding this year Please remember that the member and BOD meeting is combined for February. Also the Roundhouse Committee will meet for track assignments in the buildings Hope to see you all at the February meeting. Please read your Gazette for time and location.
