Spring Is Here

March Meeting

We Received the financial report from Bob M. Next Bob M. gave a report on his conversation with an attorney regarding club rules. We discussed his findings. We reviewed last months minutes. On old business Dave reported that he would reschedule the Spring Banquet, possibly for April. The next two picnic tables are on order. Dave R. will assemble them when they arrive. Thank you Dave for this. A workday is scheduled on March19 for panels, and Tim D. will supply a trailer for transport. Dave G. has donated his Port-A-John to Chris G. , but it will be available to the club for the October runs. Wayne updated us on the video transfer. The movies have been transferred to DVD. Darren is going to work with Wayne to edit the movies to a finished product. Dave G. discussed submitting a request to the WISE Division for a donation for the Pavilion project. He is also going to ask Chula Vista for a donation. We discussed going to builders for estimates for the Pavilion. We briefly discussed the needed permits for this project. Tom B. presented what we would need for the electrical needs for the Pavilion. Meeting April 20, and May 18. Work weekend May 20-21,
MLES Sec Pat C.

Gazette Now Available Via Email!

We are trying to reduce the cost and work involved in publishing the monthly Gazette. Printing and distribution costs are escalating and using traditional snail mail makes delivery before the meetings very difficult. We know at times the Gazette has arrived after the meeting. Several members are having issues signing up for the Yahoo MLES group. Until we can get everyone up and running in the Yahoo group we will email the Gazette to anyone who is interested. This will not be a back and forth forum. It will just be email delivery of the Gazette. If you would like to ask questions or engage in a forum or discussion you will have to participate in the Yahoo MLES group.
If you would like to receive the Gazette via email, please send an email from the account you want to use to: MLESGAZETTE@YAHOO.COM
Please make sure to send the email from the account you want to use. Also make sure to identify yourself if your name is not part of your email address. Thanks, Your Gazette Crew.

VP News Express

Happy spring everyone. Glad that winter is over. Planning is moving forward for the Willow Bend Station. We have contacted many builder for quotes and I have a few of them back already. In March we had a few members come and build track panels for future projects that need to be finished from last year. 33 panels were built and moved to my storage unit. Thank you to all who helped build them. I have made arrangements to have the rest of the large willow tree moved off the property. This will happen after the ground drys out a little. Beginning of May starts Wednesday night work nights. If anyone whats to come earlier in the day, please contact me and I will come out and help. This year we will see members who have new equipment running, including myself. We also picked up a few more trains registered with the state to pull public. Glad to see that as well. Also we will have 8 new 8ft T-rail cars to use for public. 5 are mine and 2 more Route of the 400's for Pat C. and one for Lester H. More news at the meeting. Hope to see you all at the April meeting. Please read your Gazette for time and location.
David G.
